

Atacama Pacific Unaware of Any Material Change

TORONTO, February 11, 2016 – Atacama Pacific Gold Corporation (TSXV:ATM) (“Atacama Pacific” or the “Company”), responding to a request from the Investment Industry Regulatory Organization of Canada, wishes to confirm that the Company's management is unaware of any material change in the Company's activities that would account for the recent increase in market activity.

About Atacama Pacific Gold Corporation

Atacama Pacific's business is the acquisition, exploration and development of precious metals resource properties in Chile. Atacama Pacific's principal mineral property is the Cerro Maricunga oxide-associated, breccia-hosted gold project, located in Region III, 140 kilometres by road northeast of the city of Copiapo. Atacama Pacific's goal is to become a producer of gold through the development of the Cerro Maricunga Gold Project.
